

To All Supporters,

The 2023 Waldo Summer Festival **Run for Luke**, a fundraiser to help end Duchenne Muscular Dystrophy, will take place on **Saturday, July 15th** in **Waldo Ohio**. The run/walk will start at 8 a.m. in downtown Waldo.

All proceeds raised from the **Run for Luke** go to support Parent Project Muscular Dystrophy, leading the fight to end Duchenne Muscular Dystrophy, a rare genetic disease, and the most devastating form of muscular dystrophy. This is the second year for the **Run for Luke** and is sponsored by Peace Community United Church of Christ.

While the congregation is proud to be a sponsor of this important event, we need other sponsors to help us find a cure for Duchennes!

Sponsorship Levels

Platinum - \$1000 or more—Logo on t-shirt, all press releases, link in all publicity related e-mails and websites, provided banner displayed at the start/finish line, sponsor provided marketing materials, and 6 complimentary run admissions.

Gold- \$500 – Logo on t-shirt, link on the website, sponsor provided marketing materials, and 4 complimentary run admissions.

Silver- \$250—Logo on t-shirt, link on website, sponsor provided marketing materials, and 2 complimentary run admissions.

All checks should be made payable to: **Peace Community Church FBO Luke Fox Race**

Great research is happening because of people and sponsors like you! In 2016 the first-year treatment for Duchenne Muscular Dystrophy was approved by the FDA—proving that all our efforts go to make a difference. Your support gives us HOPE for more treatments for this devastating disease.

On behalf of all the families affected by Duchenne Muscular Dystrophy, we thank you for your consideration and donation for this year's **Run for Luke**.
