Message from our Pastor

Summer is perhaps my favorite time of the year. The sun is shining most days. Life has a little slower pace. It means that the beach will be calling me soon too. Oh, and there is Ice Cream. We have a number of exciting events throughout this season for you and your family. Our Annual Ice Cream Social will be held the second Friday of August. One of our strengths is community, whether as a church or in our local area. We are also pleased to be one of the sponsors of the Waldo Pool. You are invited to Peace Community Day at the pool on Saturday, June 17th from 12-4 p.m.. Admission is free during those hours. We will also take part in the Waldo Festival, July 14th-15th. Part of that includes a 5K Run/Walk for one of our own, Luke Fox. He has Duchenne muscular dystrophy. The funds will be given to help scientists/medical researchers find cures and quality of life improvements. We hope that part of your Summer can be spent with us!

Fourth Sunday of Each Month

Haleigh, our Youth/Outreach Director and Pastor Joel have been working on an alternative worship style. We decided that we would do it on the 4th Sunday of the month since we also have the youth breakfast that same day. This will be a work in progress. We will begin by using music from the internet. This allows us to get the sound of multiple instruments. Most music that younger people listen to have this particular sound. Eventually, some folks might feel called to provide live music. We will sing praise songs, have an interactive sermon, video clips, and multiple lay people will also help to lead the worship. This style of worship invites people to "stand on holy ground" and the more casual style can allow the Holy Spirit to move more freely. It's exciting to see how this new opportunity will impact our mission.

We welcome of every race, gender, gender identity and/or expression, age, sexual orientation, nationality, ethnicity, family status, economic status, physical, mental and emotional ability into full participation, membership and leadership in our faith community.
